FYI ... Tap Bui and Khai Nguyen, Co-Directors MQVN (Sông) Community Development Consortium, are the ones coordinating the meeting I am attending in New Orleans.. They finalized agenda on Friday, which is included here. I also found out this afternoon that Biden's Special Assistant, Erika (didn't get her last name), who oversees the White House Asian American Native Hawaiian and Pacific Islanders Initiative, confirmed her attendance at this mtg.

I asked if any press will be there and was told there won't be any as they want to keep mtg low key.

Good afternoon Bruce and Bianca,

Thank you for the conversation earlier. Please see attached the updated agenda with items we discussed.

I checked in with the federal partners and they will not have a formal presentation. I do think it's prudent we add them into the agenda during the Conversation portion of Question 2.

Please feel free to edit or reframe as you see fit. Thank you and please let Khai and I know if you have any questions.
Thank you!
